

For my brother
Who's so dear,
Son of a mother
Wish he was near.
I miss him so
I wish he could stay,
I don't want him to go
So far away.
His name is Darin
He's a winner,
Rhymes with red-burn
and he's no sinner.
If I didn't have you
it would be bad,
I wouldn't know what to do
I would be so sad.
He always has a smile
And grin upon his face,
you'll want him around awhile.
He'll make your heart race.
Girls have to wait
Right now he's mine,
Please wait to date,
Boy, does he look fine,
What a brother we found
And we do miss,
Wish he could hang around
And I get the first KISS.

He is so sweet
And he'll always care,
He makes our life complete
Only go there if you dare,
My only brother
How I do love,
Want no other
Glad god sent him from above.
Darling my brother
Your my best friend,
Son of a mother
And that will never end.
