

For my sister  
Whom I didn't know,  
Was not around  
To watch her grow.  
Her hair is golden brown  
She has a wonderful smile,  
I'm glad she came down  
And stayed awhile.  
She's full of surprises  
And lots of love,  
Reminds me of surprises  
God sent them both from above.  
I love her name,  
Wish we had another day,  
I'd like to play a game  
Before she goes away.  
You're very sweet  
And have a great brother,  
You swept us off our feet  
We will always have each other.  
You are number one  
You have quite the imagination,  
Always having fun  
And knowing the situation,  
Soon it will be tomorrow  
And we will feel blue  
We'll all be full of sorrow  
And no-one will have a clue.

We will sit and cry  
Only because we care,  
We all ask why  
As we sit and prepare.  
We wipe our tears  
And remember the joys,  
forget all our fears  
And I'm glad I met your boys,  
So here it is sis  
We all have a brother,  
We'll love and do miss  
I'm glad you met your mother.  
I'll always be there  
When you need to talk,  
I'm always somewhere  
Even when you out on a walk.  
Write me a line  
Just one maybe two,  
That will be just fine  
As long as I hear from you,  
So it's like this  
I'm glad were together,  
You're a great sis  
One I'll always remember,  
You're boys touched my heart  
And they're very kind,  
They will never part  
They will always be on my mind.  
You are a special friend  
And a great sis,  
My love for you will never end  
And you sis, I will miss.
