

Her name is Star
She's my friend,
We'd go to the bar
and that's not the end.
We would sit and talk
or watch a movie,
go on a walk
or just be groovin'.
We would be up late
just to write,
it was our date
just for spite.
We were entertaining
though we thought,
Our kids were complaining
as they fought.
We didn't seem to care
as long as we were together,
We were aware
We'd be friends forever.
I'm glad I met you
you're so cool,
I love you too
you're no fool.

You have two beautiful boys
They're very kind,
Want to buy them toys
and always on my mind.
You have a place on my heart
and it's full of love,
our friendship will never part
and I thank God up above.
We will always be together
me and you,
friendship last forever
and come by few.
You're my sister
You're my friend,
what a good listener
our friendship will never end.

friends forever,
Carol
