So it's like this  
I'm glad we're together,  
you're a great friend  
One I'll always remember.  
Memories to share  
Some to keep inside,  
None to spare  
None to hide.  
I know in my heart  
and you do too  
they will never part  
The memories of me and you.  
You're my best friend  
One I truly cherish,  
That will never end  
And my love for you will never perish.

Friends forever  
and always,  
Carol
